

Figure 1 shows the chemical structures of compounds 1 through 20. The structures are arranged in two rows. The top row contains structures 1, 2, 3, 4, 5, 6, 7, 8, 9, and 10. The bottom row contains structures 11, 12, 13, 14, 15, 16, 17, 18, 19, and 20. Each structure is a substituted benzene ring with various functional groups and substituents.
